Opening hours  
During working days our main location is opened from 8.00 – 17.00. Between 13.00 and 14.00 the desk is closed due to lunch time of our assistants. Our sub locations have changing opening hours. For information please call the general number.

Appointment for consultation  
You can call us daily between 8.00-13.00 hours and 14.00-16.00 hours. 3rd choice on the answering machine. The assistant will book you in for 10 minutes per consultation. If you think the appointment might take more than 10 minutes, please mention this. Please mention the name of the doctor you want to consult.

When you move or when your phone number or insurance details change, please inform us. At your arrival for a consult, come to our desk on the ground floor and bring your insurance card with you.

Consultation hours assistants  
Daily between 14.00 and 15.00 hours on our main location (Boomsluiterskade 299). For measuring blood pressure, injections, removal of stitches, remove earwax and treatment of verrucas, please come to our desk. (No appointment needed). At other times only by appointment

Consulting a General Practitioner by phone  
Between 11.00 and 12.00 hours for short questions and for asking about test results. 4th choice on the answering machine.

Repeat prescriptions  
Requested between 8.00 and 13.00 hours (by phone or at our desk) will be handled the same day. A repeat prescription can be requested by phone or online. 2nd choice on the answering machine.

Home visits  
If possible, request before 11.00 hours.

Emergencies during daytime  
1st choice on the answering machine.

Emergencies outside office hours  
From 17.00 hours in the afternoon till 8.00 hours in the morning and from Friday afternoon 17.00 hours till Monday morning 8.00 hours: phone 070-3469669 Smash. This is emergency GP Service

Education programme  
We participate in the training for doctors and general practitioners (at the LUMC, Leids Universal Medical Centre). The assistant can book you in for a consultation with an intern or a junior doctor, training to be a GP. This is always under supervision of a general practitioner.

Partners  
In our practice we cooperate with several health care workers in the area. Psychologist H. van Nes (www.vannes.praktijkinfo.nl) and dietician L. Hordijk (www.hordijkenhessing.nl) haven weakly consults in our practice.
